Sweetie's Confections
1228 Reynolda Road

Dear Jackie:

Many thanks for your gracious hospitality during my visit to your wonderful confections store. Your successful endeavor of sending "Goodies Ready to Eat" to our brave troops is heartwarming, indeed. I'm certain they are greatly appreciated by our young men and women overseas. What a wonderful idea!

Jackie, please rest assured all of the packages survived my travels safely. The Patriot Boxes for the President and Senator McCain were delivered and Bob was delighted to receive his, too. The box of chocolate was also a hit in the Dole home and we have certainly indulged our "sweet tooth" just a bit! Bob joins me in wishing you continued success and we send much gratitude for your support of our Armed Forces.

With heartfelt thanks again,

Affectionately —
Elizabeth Dole
